

## Technical Training & Seminars

### Technical Training Division

#### Supplied Air Breathing Apparatus: 3 Hours

- Prerequisites:** Minimum 18 years of age. Good physical condition. Clean-shaven.
- Course Materials:** Required materials provided.
- Required P.P.E.:** CSA approved steel toed boots, coveralls, and/or appropriate clothing for inclement weather conditions.

**Course Overview:** This three (3) hour supplied air breathing apparatus program is the entry-level program for use of SABA within industry. This seminar is the introduction to SABA operations, maintenance, inspection and standards governing SABA. This seminar consists of both classroom as well as practical field instruction, with an emphasis on personal safety. The student shall learn new technology surrounding SABA, components of a SABA system, operation and use of SABA, use and familiarization of air trailer systems. This program provides the student with the foundation skills to confidently use a supplied air breathing apparatus in the appropriate environment. Special attention shall be given to personal safety. ***\*This seminar will give the student the personal skills to effectively and efficiently use a supplied air breathing apparatus providing standards and legislation are adhered to. Recommended bi yearly internal training be provided to maintain skills in inspection, maintenance and use of SABA.***

This seminar covers the following topics:

- Personal safety
- Breathing apparatus limitations
- Standards and legislation for SABA
- Basic SABA inspection
- Basic SABA maintenance
- Stand-alone personal alarm safety systems
- SABA operations
- SABA selection
- Air trailer use and familiarization
- Safety checks
- Heads-up display (HUD)
- Donning and doffing
- Buddy breathing (Air equalization measures)

**Certification:** Students will be issued a Certificate of Completion upon successful completion of a written exam and demonstrated practical skills. ***Full attendance is mandatory for completion.***

**Cost:** Contact us for individual and group rates.

**Students:** 6 (Minimum)
