

Technical Training & Seminars

Technical Training Division

Team Leader For Technical Rescue: 10 Hours

Prerequisites: Level 3 - Advanced Rope Rescue or Level 3 - Confined Space Rescue (no substitutions accepted). Minimum 18 years of age. Good physical Condition. Standard First Aid & Level C CPR (proof provided).

Course Materials: Required materials provided.

Required P.P.E.: CSA approved steel toed boots, coveralls, and/or appropriate clothing for inclement weather conditions.

Course Overview: This one (1) day team leader for technical rescue course is the highest level a technical rescue team member can achieve. This course is designed as a technician level team leader program, which builds team dynamics. This course consists of both classroom as well as practical field instruction, with an emphasis on team skills, team building, and team management. The student shall learn team dynamics, team communications, team safety, advanced rescue operations, team building and maintenance. This program provides the student with the advanced knowledge and skills to build, maintain, and lead a rescue team. Special attention shall be given at the operational safety level. ****This Team Leader program allows the rescuer to manage a team, mentor basic, intermediate, and advanced level team members. The successful candidate can work as a team leader during a rescue evolution either actual or simulated.***

This seminar covers the following topics:

- Operational safety and team safety
- Personal rope skill maintenance (Ropes and Knots)
- Rescue team leader roles and responsibilities
- Documentation and logs
- Pre-incident planning, and rescue planning
- Rescue risk management and risk analysis
- Multi-agency response
- Rescue team selection
- Team building and maintenance
- Rescue skills evaluation and team skills maintenance
- Rescue team scenarios and drill exercises
- CISM rescue team members
- Post incident critique and debrief

Certification: Students will be issued a Certificate of Completion upon successful completion of a written exam and demonstrated practical skills. ***Full attendance is mandatory for completion.***

Cost: Contact us for individual and group rates.
